The Indian Maharadja

The Indian Maharadja ontwikkelt sportswear met maximaal comfort en een eigentijdse look. Optimale bewegingsvrijheid is daarbij een vereiste, kwaliteit een vanzelfsprekendheid.

Toegankelijk voor iedereen

Sport is voor iedereen. Daarom is de kledingcollectie van The Indian Maharadja toegankelijk voor iedereen. Ongeacht leeftijd, afkomst, bodytype, fitheid en of je nou sport voor je plezier, voor je gezondheid of voor een podiumplaats. Wat voor ons telt is dat jij kleding draagt waarin jij je zelfverzekerd voelt en zo het beste uit jezelf kunt halen!

Ontwikkeld vanuit de sport

Dat bereiken we door de specifieke bewegingen en uitdagingen binnen de sport als uitgangspunt te nemen bij het ontwikkelen van onze comfortabele sportswear. Ons productontwikkelingsteam bestaat uit technici en designers met een passie voor sport. Met behulp van slimme technologieën, de juiste patronen en de best passende textielsoorten creëren zij een outfit met een perfecte pasvorm én uitstraling.

Over de collectie

SOFT, LEISURE, MOOD, HEALING, COZY, NATURAL..... de gedachte achter deze GOA collectie. Een creatie die is ontstaan door de inspiratie van de twee trends OFF-WORLD & SURVIVE (A/W 24/25). Centraal in deze trend staat de zoektocht naar rustpunten van overprikkeling waar we vandaag de dag mee dealen. Zachte technische materialen, koele aspecten, gecombineerd met aardse kleuren en fluor details geven je een gevoel van comfort, herstel en rust. Leisure items ideaal geschikt voor na je training of wedstrijd. De periode waarin je lichaam hard werkt en terugkomt in zijn natuurlijke staat.

Het design van de Jaipur collectie 24/25 is anno nu en heeft duidelijke overeenkomsten met de vorige collectie. Zo wordt er gebruik gemaakt van dezelfde kwaliteit materialen, (club)kleuren en witte details waardoor het combineren van oud en nieuw mogelijk is. MODULAIR, NOODZAKELIJK, FUNCTIONEEL, EENVOUD & PRIMAIR vormen de basis. Een basis die de huidige collectie zeker onderbouwt. Een collectie waarbij onderdelen zich in de afgelopen jaren hebben bewezen in doelgerichtheid. Bewegingsvrijheid en functionaliteit is key!

Technologieën

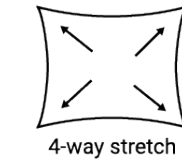

The Indian Maharadja begon met een doel: sport voor iedereen toegankelijk maken. Met behulp van geavanceerde technologie streven we naar ultieme bewegingsvrijheid en ongeëvenaarde kwaliteit in onze sportkleding. Hierin introduceren wij twee varianten: Dry Touch & Cool Ctrl.

Dry Touch:

Deze stof is ontworpen om snel te drogen en intens zweten te weerstaan. Met een focus op het reguleren van je lichaamstemperatuur blijf je zelfs onder uitdagende omstandigheden fris en comfortabel. De ademende mesh zorgt voor een continue luchtstroom, terwijl de Dry Touch-technologie ervoor zorgt dat zweet effectief van de huid wordt afgevoerd.

Cool Ctrl:

Lichtgewicht en nauwelijks voelbaar, de Cool Ctrl-stof maakt elke beweging moeiteloos. Cool Ctrl technologie zorgt voor ademend vermogen, vochtafvoer en droogt snel. Zelfs onder extreem warme temperaturen blijf je koel en voel je je comfortabel.

Goa

Haal het maximale uit je sport

De GOA-collectie is geschikt om te dragen voor de training en daarna. De kledingstukken zijn gemaakt van hoogwaardige materialen die ademend, vochtregulerend en sneldrogend zijn. Daarnaast ligt de focus op ontspanning en herstel na intensieve workouts. De GOA collectie bestaat uit ontwerpen die vallen binnen "The Indian Maharadja" identiteit in basis en onderscheidende kleuren. Met een focus op prestaties, functionaliteit, herstel en ontspanning, brengen we sport en vrije tijd samen.
